Breakout groups

- **Whakawhanaungatanga**

- In which 3 months of the year is data for the Snapshot collected?

- Why is it called a Snapshot audit?

Snapshot Session Four: Data Entry

- Can I only use the database for the official Snapshot audit?
- What if the services in my locality don't match the ones in the database?
- What if I don't know the percent of current staff who have completed core VIP training?
- Does CP screen mean the Child Protection Checklist that is usually done in ED?
- How do I work out ethnicity? Does it have to be one ethnicity?
- Curly questions

SESSION	DATE AND TIME

Mahitahi

**Some of us have digital records
and a great IT department and
some of us don't!**

I'm not the expert in your district, and although I have done the Snapshot before, I'm still learning.

Check list

- You have a list of NHIs for each service
- You have sorted out who is going to audit which data
- You have logged onto the VIP snapshot data base and had a play with it.
- I just google 'VIP Snapshot log on'.
